

UPPER MCKENZIE RURAL FIRE PROTECTION DISTRICT

56578 MCKENZIE HWY, MCKENZIE BRIDGE, OREGON 97413-9617
(503) 822-3479

The Upper McKenzie RFPD Public Education Division is making address signs available for purchase by the residents of our rural fire protection district. We encourage the use of these reflective signs placed as visibly as possible *at the entry to your property.*

These signs will help your fire department volunteers and/or other agencies find you as quickly as possible should you have an emergency.

The Upper McKenzie Rural Fire Protection District will supply information pertaining to the setbacks required by the state or county highway departments. By following these guidelines you can avoid having your signs removed by the highway department.

Because this is a large project, the Public Education Division is asking that you install your own sign if possible. We will, however, provide assistance to anyone needing it.

Since the Upper McKenzie RFPD is entirely a volunteer organization, here is your opportunity to support your department. Tell your neighbors about the project and please check the appropriate boxes on your application form. Call the fire station for more information at 541-822-3479.
